May 31 - June 2, 2019

Apply before February 28, 2019 and receive \$20 off your booth fee.

Please read application, rules and regulations carefully before signing and returning the application.

DESCRIPTION

The Herndon Festival is a 4-day outdoor, open air festival with arts and crafts, entertainment, food, carnival, and fun for the whole family. **The arts and crafts show is a three day event.** The festival has relocated to Northwest Federal Credit Union Campus, 200 Spring St., Herndon, VA 20170, and all vendors will be placed in the parking lot of the Northwest Campus.

ELIGIBILITY

- The exhibitor must be the originator of the items being sold – no “buy/sell.” Commercially-reproduced work, including books, collections or pre-made kits are not permitted. If you are accepted into the show and you display/sell any items that are not handcrafted by the exhibitor, you will be asked to remove the items from your booth. Gourmet foods must be homemade items, not pre-purchased foods.
- Exhibitors are selected from submitted photographs. Only work representative of that submitted to be juried may be exhibited. Exhibitors may not sell other non-related crafts that were not judged. Violators will be removed from the show.

BOOTH FEES

**All application materials must be received by:
March 28, 2019**

- Application and pictures will be juried so the best quality of crafters will be accepted. Quality and original work are highly recommended. For each category in which you wish to be juried, please submit 4 recent photographs of your work and display, including one photo of you making the craft; please no slides.
- Label each picture with your name and address. Update your photos before you send them in. Please do not send samples, as they will not be returned. Enclose the completed application, booth fee and a business size, self-addressed envelope with \$0.84 postage.
- Upon acceptance into the show, an acceptance packet including detailed information will be mailed along with submitted photographs. If you are not selected, photographs and payment will be returned. The decision of the committee is final. All notifications of acceptance will be mailed no later than April 15, 2019.
- Booths are 10 feet wide and 10 feet deep. Exhibitors will need to provide all materials/equipment for set-up (tables, chairs, backdrops, etc.).

- ALL TENTS MUST BE SECURED AND WEIGHTED DOWN WITH A MINIMUM OF 40lb WEIGHTS ON ALL FOUR CORNERS. The tent should be secure enough to withstand a small thunderstorm.
- During Sunday's breakdown (at the specified time), exhibitors may not be able to park their vehicle right next to their booth space. Every attempt is made so exhibitors can get as close as they can to their booth space to load their vehicle. A handcart is recommended to assist exhibitors.

SET UP

- Included with the exhibitor acceptance package each exhibitor is assigned a set up time to prevent congestion. There are additional festival vehicles and vendors arriving for set up at the same time as the craft vendors. Exhibitors who arrive late should be aware that the festival closes to all vehicles at a designated time. If exhibitors arrive after the gates are closed to vehicular traffic, exhibitors will have to park outside festival grounds and carry/cart materials to their assigned space. Upon arrival to the festival area, exhibitors will be asked their booth number, provided a parking permit, and directed to the booth location. Be prepared to unload all materials/supplies that are needed to set up the booth.
- Exhibitors will be asked to park their vehicles off festival grounds once all materials are unloaded. Festival marshals will assist in directing exhibitors to their assigned parking lot. Parking is within walking distance. Exhibitors then return to their booth to continue set up of their craft booth.
- Exhibitors are to be prepared to have their exhibit ready for public viewing/shopping:
Friday, May 31 at 4:45pm;
Saturday, June 1, 9:45am;
Sunday, June 2, at 9:45am.
- All booths must close promptly at their scheduled time. The arts and crafts show will end earlier than other festival activities.

PARKING

Parking is not allowed in the Festival area. Exhibitors are granted one parking permit which will be provided at time of set-up, and the permit is for an assigned lot which is not on Festival grounds. Exhibitors are to display their parking permit on front dashboard. Towing is strictly enforced around the festival area.
